Red Vine® tomatoes on the vine are extremely attractive thanks to their deep red colour, fresh and broad crown, and robust green stem. The Vine has a characteristic herbal aroma and strong attachment to the tomatoes, which are easy to cut from the first to the last slice. Additionally, Red Vine tomatoes maintain their quality long after they have been purchased.

www.grandvine.nl

Grand Vine® tomatoes on the vine are extremely large tomatoes with a beautiful deep red colour and broad crown. The Vine has a characteristic herbal aroma and strong attachment to the tomatoes, which are robust and easy to cut from the first to the last slice. The Grand Vine tomatoes have a very good tenability.

www.romavine.nl

Roma Vine® is a remarkable product, a large plum of egg-shaped tomatoes on the vine. Each cluster holds 5 to 6 tomatoes. They have a sweet herbal flavour and are exceptionally juicy. Additionally, Roma Vine tomatoes have a firm texture, making them easy to slice.

www.romadori.nl

Romadori® mini plum tomatoes are a new addition to the tomato product range. The unique sweet flavour, beautiful deep red colour, oval/egg-shaped form and average weight of 30 grams each, are remarkable qualities of the mini plum tomato on the vine. Between 8 and 10 tomatoes come with each cluster.

www.sweetvine.nl

Sweet Vine® is a delicate cocktail tomato on the vine with an attractive cluster structure with 6 to 10 tomatoes, weight between 35 - 40 grams each. These cocktail tomatoes have a wonderful sweet, fruity flavour with a delicious spicy aroma.

www.llsgrowers.nl

Amor is the smallest one of the family. The extremely sweet flavour, the deep red colour and the little format makes them a perfect snack-tomato. Each cluster holds 12 to 15 tomatoes on the vine. Amor is a new flavour sensation that you simply must taste!

Established in 1995, LLS Growers is a Dutch association of tomato producers. The association's primary activity is the cultivation and marketing of high-quality tomatoes on the vine. LLS products are available at co-operative sales organisations. All kinds of packaging are available, examples are shown on our website or anything else as you wish. LLS guarantees rigorous quality assurance on the base of Eurep GAP, QS, HACCP and ISO9001.
